**Hiring Part-Time and Full-Time Psychological Associates, Psychologists  
(Registered/Eligible for Supervised Practice) and Social Workers  
Remote or In-Person Positions**

The Centre for MindBody Health (CMBH) and its Directors, Drs. Shelley McMain and Shari Geller, are recruiting two new Associate Clinicians committed to excellence in their care with clients in Toronto and across the Province of Ontario. CMBH is warm and welcoming; our Associates are a closely knit group; we are committed to one another's clinical development and personal well-being; and we make a point of having fun together.

The CMBH team is expert trained in individual, couple and/or family therapies, specializing in Dialectical Behavior Therapy (DBT), Emotion Focused Therapy (EFT), DBT-PTSD and other approaches such as Cognitive Behavior Therapy (CBT) and Mindful Self-Compassion (MSC).

### **Qualifications**

- Our ideal applicant has excellent clinical and communication skills, is comfortable working with people from diverse backgrounds and has familiarity and training in evidence-based practices (e.g., DBT, EFT, trauma-focused, and other specialized approaches).
- Clinicians must be licensed (e.g., C.Psych., RSW, RP) or license-eligible in the Province of Ontario.

### **Benefits of Joining our Team**

- We offer a growth-oriented, professional and rewarding work environment with a myriad of opportunities for career advancement.
- In addition to excellent compensation, Associates receive rich and continuous supervision, consultation with international leaders in DBT and EFT and our own professional trainings (free CEs!).
- A consistent and established referral flow.
- Flexibility in schedule with fully remote, in-person or hybrid options for work.
- Electronic record keeping, scheduling and billing.
- Full-time on-site administrative support, including assistance with intake, scheduling, processing payments and more.
